

Semley Extending Dining Table

Assembly Instructions

Thank you for purchasing this product. Please read the instructions carefully before use to ensure safe and satisfactory assembly & operation of this product. This product is heavy so it's advisable to assembled it as near as possible to the point of use.

You will find enclosed:-

- Bolt x8

- Leg Section x4

- Flat Washer x8

- Table Top

- Split Washer x8

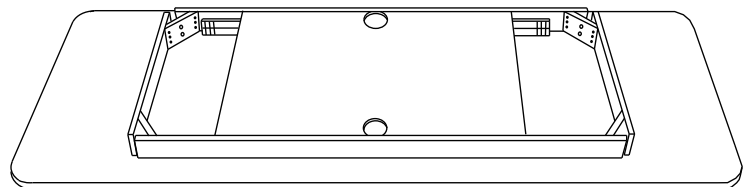

- Extending panel x2 (packed with table top)

- Allen Key

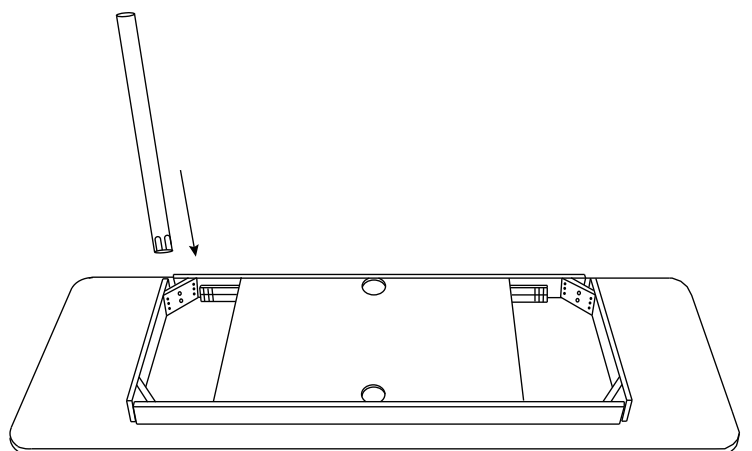

Please note these instructions must be followed precisely.

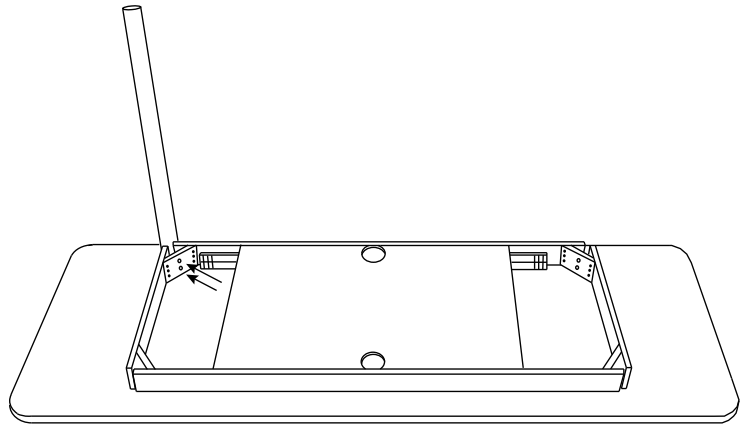

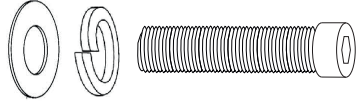

1 - Place the top of your dining table upside down on a blanket or other cushioned surface.

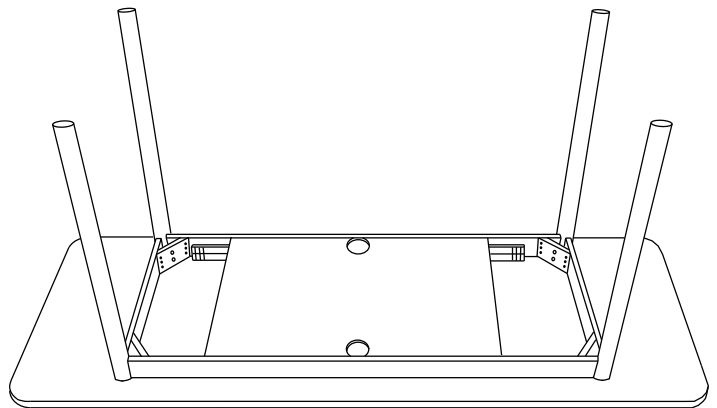

2 - Next take the first leg and slide into place

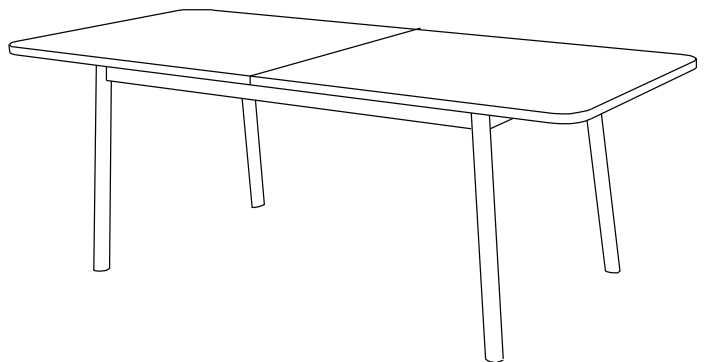

3 - Secure with two bolts on the inside of the corner brace. When doing so place a flat washer & split washer between the corner brace and the head of each bolt (the flat washer should be closest to the wood). First screw in by hand and then tighten with the allen key provided.

4 - Repeat step 2 and 3 for each leg.

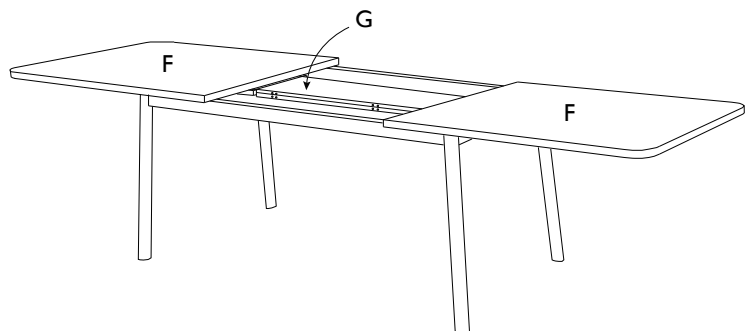

5 - Once complete, check all bolts are secure by tightening with the Allen Key provided. Then turn the table over by lifting the top without using the legs as leverage.

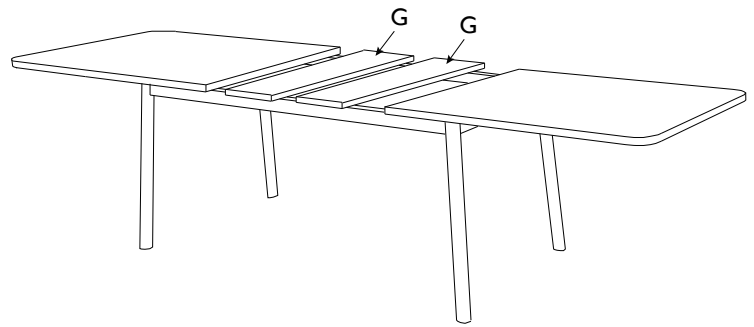

To extend your table

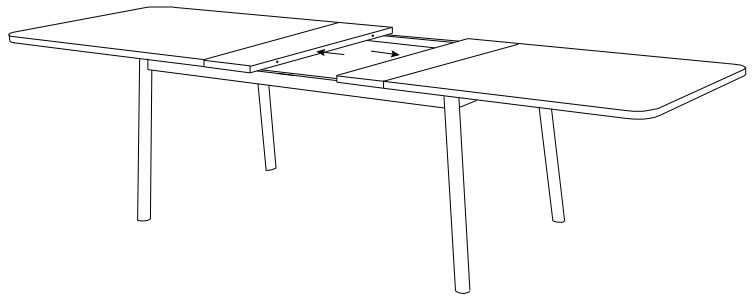

6 - To extend the table first slide open the table top then lift out the extending panels. You will notice one end of the panels needs to be lifted out before the other.

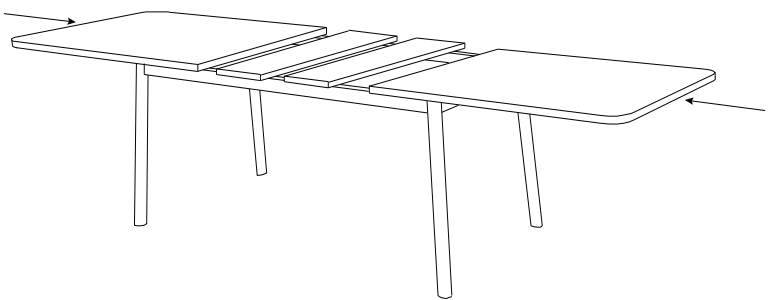

7 - Turn the extending panels 90 degrees and rest on the steel extension mechanism.

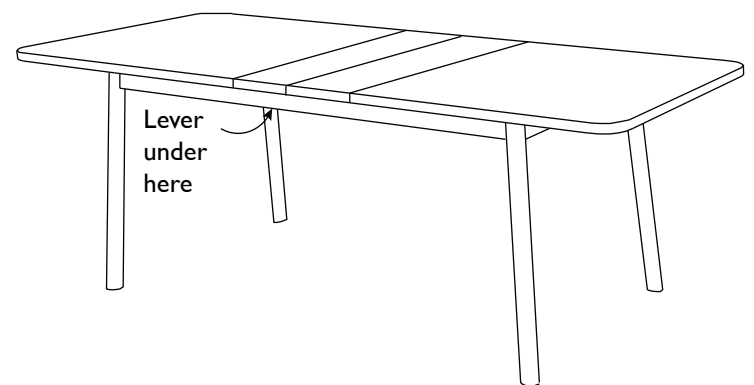

8 - Push the extending panels one towards each end of the table so they slot into the larger table top panels.

9 - Now push the table top from each end towards the centre so the two halves join.

10 - When increasing & reducing the size of the table make sure you secure in position by adjusting the small black lever on the underside of the table where the two table top parts join.

Safety Instructions / General warnings:

Never drag furniture when moving it, always lift it.

Periodically check all fixings to ensure none have come loose and re-tighten where necessary.

Please take care when handling or moving the furniture as careless handling may cause damage or injury.

Furniture can be dangerous if incorrectly installed. Assembly should be carried out by a competent person. No liability will be accepted for damage or injury caused by incorrectly installed or assembled furniture.

PLEASE KEEP THESE INSTRUCTIONS FOR FUTURE REFERENCE
